Step 45 - Orders - approval 3

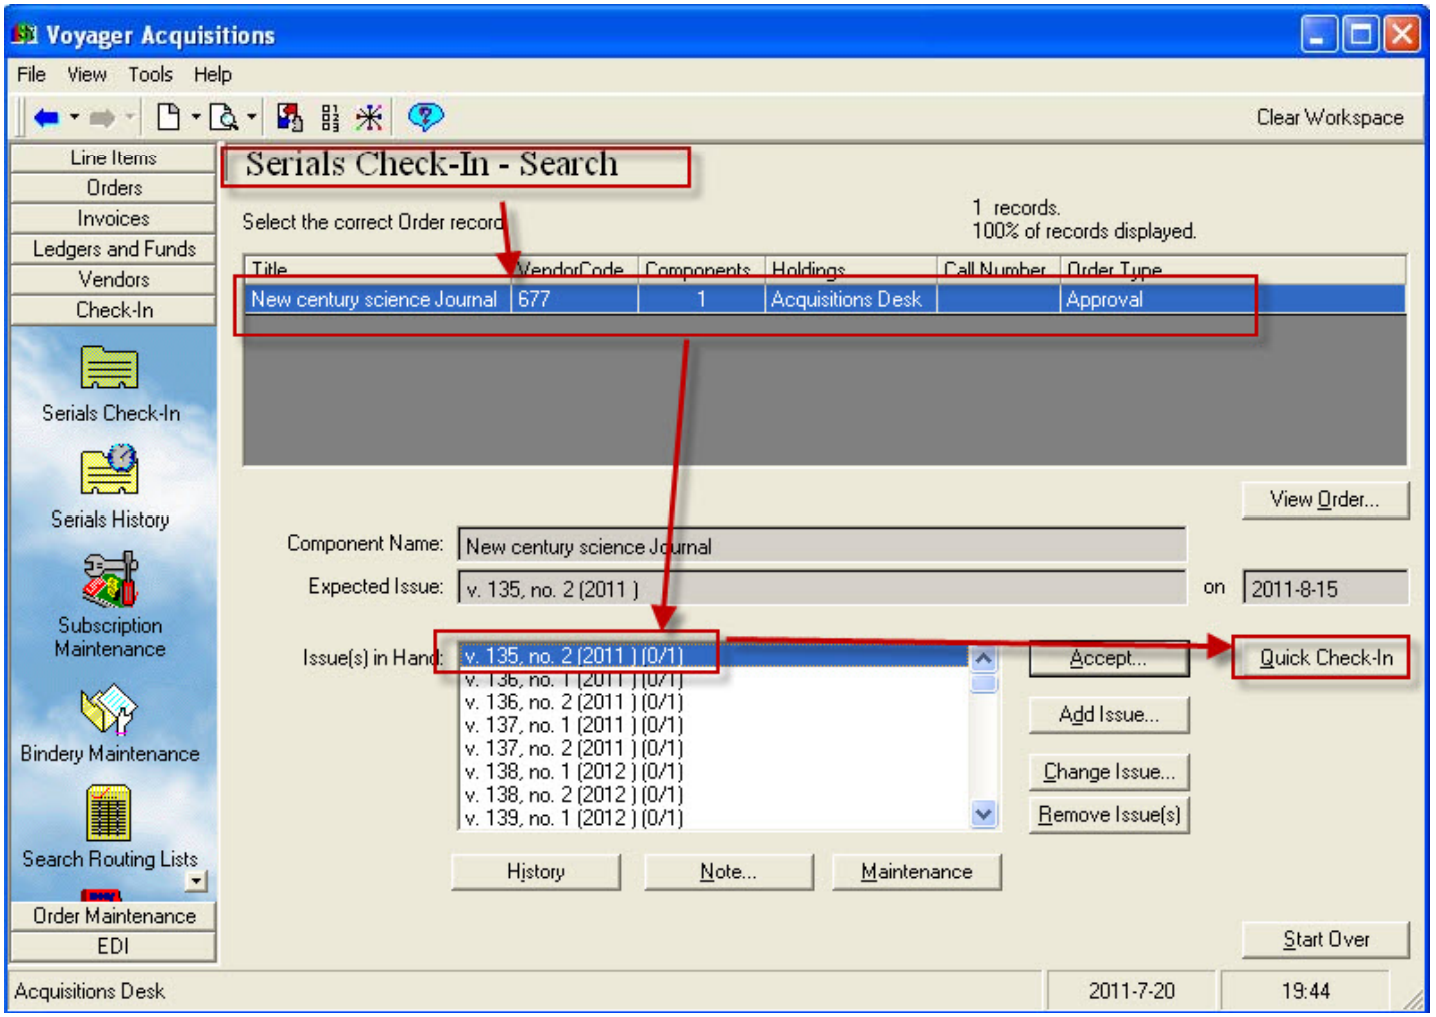

Step 46 - Orders - approval 4

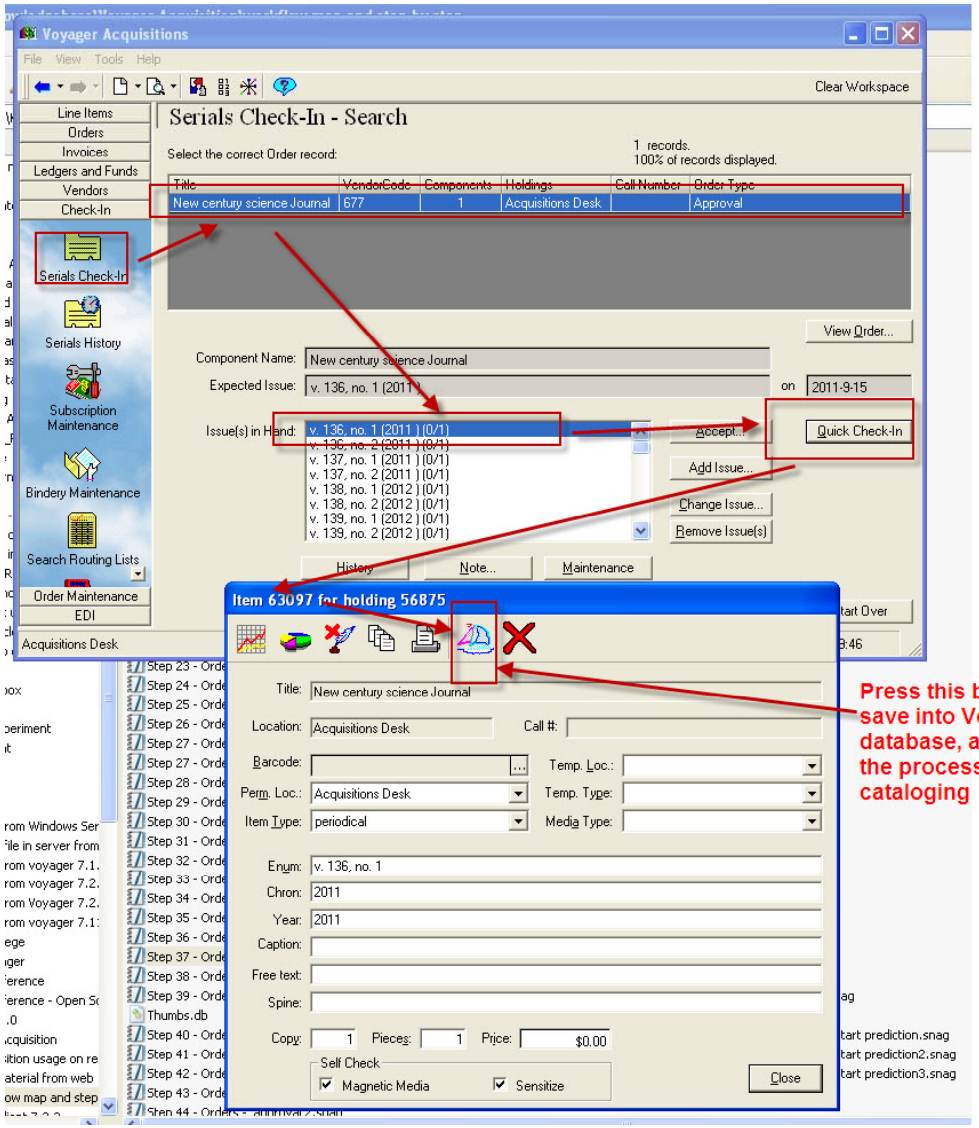

Step 47 - serial check in

Step 48 - serial check in 2

Step 49 - serial check in completed

Notes

1. Ledger and funds are merely created in the beginning of budget year.
2. After some serials' order is created, and you have completed subscription maintenance, what you need to do in the future is just to check them in.
