Selects, orders, and presents your content or any part/ combination of it based on the criteria you define.

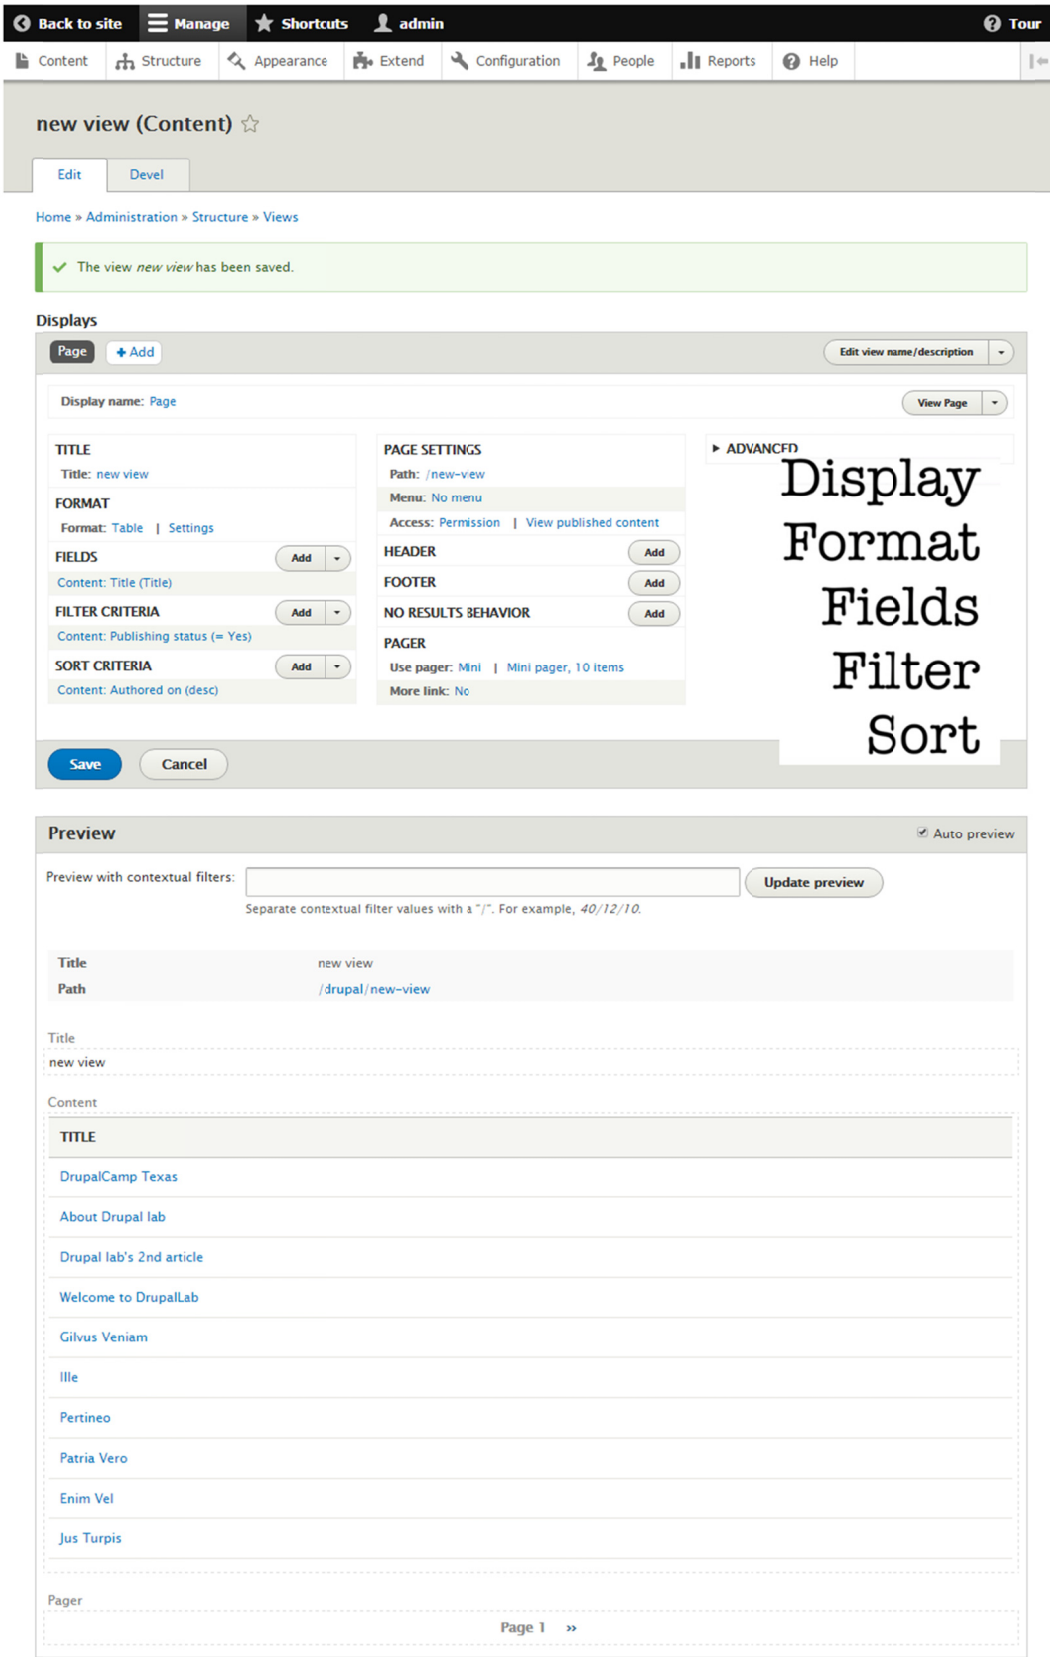

May I have all the books...
- published before 1905
- whose authors last name starts with "M"
- where the book has 100 or more pages
- the covers are red.
Sorted in publication date order, then by last name...
Oh, and can I rip off the red covers and take them with me??? :)
