Library Name

The **Library Name** file contains the name of the library. The maximum length of the library name is 50 characters. The library name appears in the following places in the system:

Circulation and Interlibrary Loan

- on receipts when collecting money owed
- in the 'from' line of an Interlibrary Loan Acquire letter, either printed or emailed
- on printed or emailed due slips and Ecommerce receipts created with print templates (Express Lane only)

Statistics

- on Statistics Reports in Statistics

Sierra

- in the title bar of Sierra application windows
- in the browser window Title Bar in the WebPAC
- in the **You are logged in as** system message the WebPAC displays based on the setting of the **LOGGEDIN_MSG** Web option.

Other

- in the database browser window title bar in the Cataloging Workstation

---

Editing the Library Name File

1. In the **Select file** drop-down menu of the **ASAA** function, choose **Library Name** and then **Select**.
2. Double-click the **NAME** field, enter the library name in the Edit window, and choose **OK**.
3. Select the **Save** tool to save your changes.

The system automatically restarts all WebPAC servers running on your Innovative machine(s) after you save your changes.

For more information on editing this file, see Editing Entries.
